

# Special Introductory First Visit

Discover a new effective and affordable way to improve and maintain your health.

This is your time to focus on you and allow our expert team to relieve your discomfort by pinpointing and realigning misaligned spinal bones and reducing muscle tension.

Print this page and bring it in on your first visit to save \$10 off the regular first visit cost.

Fine Print: This offer is valid for first visit only and may not be combined with any other promotions. No cash value.  
Check the website for available service times.
